During a trip to Avallone to sell swords in the local marketplace, a German merchant by the name of Gummerich was stabbed repeatedly by a thief, and died. Gummerich believed that it was the Divine Order that delivered him his death, and so he gave his life in a desperate effort to destroy the evil that he believed ruled the world. At that time, the mortal king of Avallone, Ruteus the False, was going to press his claim over the elven kingdom of Andrinia. He ordered the assassination of his rival to win the support of the elves and prepare an invasion of the Lands Between. The Divine Order, which had maintained a secret base on top of Mt. Andrinia, chose this moment as a chance to strike back. The Cult of the Lost Starbreeze, who are descendants of Gummerich, have been spreading their influence throughout the continent to destroy Ruteus' kingdom. ■ STORY OF THE CULT OF THE LOST STARBREEZE: Although few know of their existence, the Cult of the Lost Starbreeze have been at the center of the conflict between the elves and mankind for many years. The cult's story began during the rule of the King of the High Country, Uralt. Uralt was a deeply learned man who was born and raised in the lands beyond the ridge of Mt. Andrinia. One day Uralt visited the elves and discovered that they were the descendants of Gummerich. Unable to help himself, he decided to enlist their help against the magic users who had tried to conquer the High Country. The Cult of the Lost Starbreeze was born. ■ THE RISE OF THE ELVEN KINGDOM: • Mountain of Rage An attack by magic users on the elves in the mountains known as the Highlands, which had been used as the hideaway of magic users, sparked a rebellion in the Highlands, and the elves left for the Lands Between and established a new kingdom there. • Establishing Land of Power and Beauty The legendary lands between are full of thrilling adventures and just as beautiful as the High Country. In addition, the elves took an active interest in forging a new and powerful kingdom in the Lands Between. ■ ADVENTURE OF THE LAND BETWEEN: • A Journey in the Unrevealed World From the entrance to the Elves' new kingdom in the Lands Between.
