LITE_STANDARD_U4.28_X64-0317 I am not sure what I expected from this. It's not an instant
gratification program, not a one click installed awesome program that will forever make my music
experience better. No, the preview is more like a dummy version. It doesn't have most features of a
quality music app. It's glitchy, it's buggy, it's slow, I even had a fair number of broken connections.
It's basically like looking at a pic of an album in a record store. As an example, the "Mixer" seems to
have at least a half dozen layers of mixing, but only 1 of those mixing controls actually seem to do
anything. As someone that has recorded music production on my own, I know this program is a joke.
I've recorded songs for years and I never bothered to even check out a music recording program
until now. I'm on a Mac, and of course, everything now is on the cloud. I guess, with this
mp3/playback/downloading app, I would just need to save up a bit to
